

# William Cromley Restoration/Preservation

5/6/05

The Honorable William D. Euille, Mayor  
City of Alexandria  
City Hall  
301 King Street, Room 2300  
Alexandria, Virginia 22314

Dear Mayor Euille,

It is with a deep sense of regret that I resign as a member of the Parker Gray Board of Architectural Review effective immediately.

For more than eleven years I have served as a member of the Parker Gray Board and am proud of the accomplishments of the Board during my tenure, and am pleased that I have been able to offer my talents and services to the City of Alexandria.

Until recently, I had looked forward to continuing to serve the community in this capacity, but unfortunately, in a base attempt to derail my proposed redevelopment of the old Alexandria Laundry, my service on the Parker Gray Board has become the target of a great deal of unfair and unjust public and private discussions, not only questioning my involvement on the Board, but also my personal integrity. Although unjust and unfair, I believe it is best for me and the personal well being of my family and myself that I take this action and resign immediately from the Parker Gray Board of Architectural Review. It is my desire to continue to be involved in the community in which I live and work.

Thank you for the opportunity to have served on the Parker Gray Board of Architectural Review for the past eleven years.

Sincerely,

  
William Cromley
